

SELÇUK UNIVERSITY

2023 INTERNATIONAL STUDENT SELECTION EXAM

(SUYOS-2023)

PREFERENCE GUIDE

1. GENERAL INFORMATION, BASIC PRINCIPLES AND RULES

- This guide covers the processes and terms for preference procedures of students coming from abroad to study at Selçuk University in the 2023-2024 academic year.
- Only Turkish is used as the language in the communication (e-mail, mail, fax, etc.) between the SU Coordinatorship for Foreign Student Selection Examination and candidates.
- SUYOS Coordinatorship is not responsible for the incomplete and incorrect contact information provided by the candidate during communication, and for the malfunctions caused by delays and errors in communication tools (mail, internet).
- Results of the Foreign Student Selection Exam are only for students who want to study at associate and undergraduate level. Transition (transfer procedures) of those who are studying at a higher education institution to Selçuk University and the procedures of those who want to study in Selçuk University graduate programs, are outside the activity-area of SU Coordinatorship for Foreign Student Selection Exam.
- SU Coordinatorship for Foreign Student Selection Exam does not deal with the procedures such as students' accommodation, scholarship, subsistence, and residence permit in Turkey
- The processes and provisions in this guide can be changed if required by the decisions of the Higher Education Council. In this case, the path to be followed is determined by SU Coordinatorship of Foreign Student Selection Exam. In cases not mentioned in this guide, procedures are made according to the decisions of SU Coordinatorship of Foreign Student Selection Exam.

The SUYOS-2023 preference guide will not be printed or distributed. The SUYOS-2023 preference guide can only be accessed online.

4. PREFERENCE PROCEDURES

- Candidates will make their preferences online by clicking the link on our website.
- Candidates will be able to fill in the information requested at <https://suyosbasvuru.selcuk.edu.tr> and make their preferences.
- To enter the Preference screen, the candidates will log in with the e-mail addresses they used for the exam application and the passwords sent to their e-mail addresses to apply for this exam.
- Candidates' information will be displayed on the preference screen. Candidates should check this information and notify us by e-mail if there is any mistake.
- The selection process will be completed when the candidates exit after choosing their nationality status, uploading the transcript and completing their preferences. Candidates will be able to log in to the preference screen and change their nationality status, upload documents or change their preferences until the deadline for preference applications.
- In the preference procedures, any application other than online application (mail, e-mail, application to the institution) will not be accepted.
- **Only SUYOS 2023 score** will be taken into account for the first SUYOS placements in 2023. After the first placement to be made, **the vacant quotas can also be filled with the TR-YÖS results**. Among the candidates applying for placements after the first placement, those with SUYOS results are given priority. If there is no application to the relevant quota with the SUYOS result, the placement will be made with the TR-YÖS result.
- Candidates must enter all the information requested in their preference applications completely and accurately. The preferences of candidates who have incomplete or incorrect information will not be taken into consideration.
- On the application screen, candidates are required to upload their officially approved documents (Diploma) showing their graduation grade, translated into Turkish, into the system. Graduated candidates are required to upload their diploma or officially approved transcript showing the graduation grade into the system. Since the documents uploaded by the candidates to the system will be requested for final registrations, these documents must be kept. If the document submitted by the candidates in the system is not the same as the document submitted in the final registration, the final registration right will be canceled. The applications of candidates who have an unreadable or no graduation grade in the document uploaded to the system will be considered invalid since they cannot be evaluated.

- In the preference system, candidates have the right to make **10 choices**. Candidates must do the order carefully, as their order of preference will be taken into account while placing their placement. You can change the preference order by clicking and dragging the added preference. The choices made at the end of the selection process will be considered as the candidate's final preferences.
- Candidates should consider the duration of study, conditions and explanations when making their choices.
- According to the related letter of YÖK; In accordance with the Turkish Citizenship Law, candidates who are Turkish citizens by birth but lost their Turkish citizenship by obtaining permission to renounce Turkish citizenship from the Ministry of Interior, candidates who certify that they have a blue card, which is given to those who lost their Turkish citizenship upon their request, and candidates with dual citizenship, one of which is Turkish, and Turkish nationality, who have completed their high school education abroad (except for the TRNC) will be placed in **Dentistry, Pharmacy, Law, Teaching and Medicine** programs in a way that **10% of the quota** of the programs mentioned in the registration will not be exceeded.
- You can send an e-mail to suyos@selcuk.edu.tr for all kinds of information and questions about preference procedures.
